MG501 CUBA CHAIR

MADE BY BY CARL HANSEN & SON

The perfect extra seat, the MG501 Cuba Chair offers a light, flexible folding design that can easily be placed in a stand on the floor or hung on the wall for storage. The Cuba Chair is built upon a solid oak wood frame, with cotton girths woven around the frame forming a comfortable seat and back and providing excellent support as they gently follow the body's contours.

Dimensions

24"W x 31.5" D x 30" H, Seat Height:15.5"

Material Options

The frame is available in a variety of finishes in oak. Other options include natural and black webbing.
