

FEAST DINING

MADE BY BY SPEKE KLEIN

Feast is an updated version of a classic refectory table. The addition of an optional stretcher adds to the sense of rusticity invoked by the solid wood slab top and square legs. Perfect for the simple pleasure of dining or as a work table.

Dimensions

Material Options

Optional bottom stretcher.

2 standard lengths available, or customize to suit your space.

Available in walnut, white oak and cherry with hand-rubber oil finish or clear matte lacquer finish.
