

INTERVENTION FLOOR LAMP

MADE BY BY ANNA KARLIN

This lamp explores the relationship between glass and light, subverting it's normal interaction. Light is normally an ethereal concept while glass a hard casing. Here glass becomes the softer of the two in the partnership and the light becomes an invention in the sculpture. The light becomes a graphic line in the transparent form.

Dimensions

14"W x 14"D x 72"H

Material Options

Borosilicate Glass / Glass / Brass

Lamping

24v LED strips, 2700k, 5 watts/foot, 519 lumens/foot, 83 CRI/ Dimmable
