

## TOO PEACE SIDE

**MADE BY BY SPEKE KLEIN**

The striking geometry of this side table is a variation on the theme of contrast and balance: a cantilevered sheet of glass slices through an angled, solid wood base, with the whole composition delicately poised and stabilized by a minimal stainless steel leg.

### **Dimensions**

28" W x 18" D x 18" H

### **Material Options**

Laminated solid wood base. 3/4" thick glass top. Available in ebonized oak, walnut or white oak with clear matte lacquer or hand-rubbed oil finish (not available with ebonized oak).
