

AURA CLUSTER

BY **LADIES AND GENTLEMEN STUDIO**

Light pared down into its two elemental ingredients: the source (the bulb) and its illumination (highlighted by a brass ring) The resulting Aura pendant lights are simple and versatile. The two available sizes can be hung individually at adjustable heights or in clusters and rows

Dimensions

This radial cluster configuration ties a mix of Aura pendants to one 12" diameter x 1" brass canopy to wire to a single junction box. Heights and rotation of each pendant adjustable up to 8' to be composed at installation. 3-Piece and 5-Piece clusters are standard, but custom cluster configurations are available upon request.
10" x 3" x 15" (10" Aura); 15" x 3" x 18" (15" Aura); 12" round canopy
