

## BAT DINING CHAIR

**MADE BY BY GUBI**

The Bat Dining Chair, designed by Danish-Italian design-duo GamFratesi, carries strong references to the interesting characteristics of bats, with its inviting, distinctive shell reminiscent of the shape of a bat's wingspan.

### **Dimensions**

24.02" W x 22.05" D x 33.46" H  
(61 x 56 x 85 cm)

### **Material Options**

Available in a wide selection of fabrics and shells, the Bat chair can be ordered un-upholstered, partly upholstered or completely upholstered to suit your application. Bases available in metal or wood options.
