

## BERTOIA BENCH

**MADE BY BY KNOLL**

Sculptor Harry Bertioia's exceptional 1952 seating collection formed from bent metal rods includes the simple, elegant Bertioia bench of wood slats spanning a metal frame.

Platform bench cushions are available separately, up to a maximum of three.

### **Dimensions**

72" W x 19" D x 15.5" H

### **Material Options**

Solid wood slats

Bench frame/slat finish combinations: Chrome/black or chrome/white

Firm foam cushions can be upholstered in a wide range of Knoll Textiles and Spinneybeck leather, all with welt detail
