

## BOCCI 73 SERIES

**BY BOCCI**

73 defies expectations. Its variously coloured paperbag-like forms appear to float upward, filled with a buoyant, liquefied light.

### **Dimensions**

Sizing varies based on configuration.  
Please click here to see entire system overview.

### **Material Options**

Available as sconces, individual pendants or artistic installations.  
73s and 73sp can be used indoors or outdoors.
