

## BOLLE FROSTED CHANDELIER CIRCULAR

**MADE BY BY GIOPATO & COOMBES**

The Bolle Frosted inverts the perception of the Bolle project. Whereas Bolle play with the emptiness, Bolle Frosted work with the positive volume of the spheres, creating satellites that seem to grow and move together through the space. The Bolle Frosted lamps are hand blown by local Venetian artisans using the "a lume" technique.

### **Dimensions**
