

BUBBLE CHANDELIER LONG

BY PELLE

Ethereal and iconic, the Bubble Chandelier is a modern re-interpretation of the crystal chandelier. Its luminous constellation of delicate glass globes adds beauty and depth to any interior environment. The Bubble Chandelier is available in a series of twelve distinctive variations. Each chandelier is handcrafted to order in PELLE’s Manhattan-based studio. The light’s decorative coiling, available in natural cotton and leather cord, is meticulously done by a practiced hand.

The Long Bubble Chandelier is a broad, horizontal light composition featuring six bulbs set within a linear constellation of glass globes. It is ideal over a rectangular dining table, a reception desk or central counter. The blown glass globes are available in clear, gilded, or colored glass.
