

CALLA PENDANT

BY IN COMMON WITH

A hand-blown glass pendant that pairs a graceful silhouette with eye-catching embellishment. Calla's shades are made using a modern variation on a centuries-old practice, which involves applying handmade glass details—in this case, rounded fins whose colors deepen when illuminated—to blown glass surfaces.

Fitted with hand-finished brass details, and suspended on a brass rod with internal, self-leveling hardware.

Dimensions

Petite: 5 ¾ in Diameter, Custom Drop Height
Medium: 11 in Diameter, Custom Drop Height
Large: 15 in Diameter, Custom Drop Length

Material Options

Available in a selection of coloured glass, glass embellishment and metal options.
