

## CERAMIC PENDANT - VERTICAL

**BY ANNA KARLIN**

This family of lights are composed of hand-blown ridged glass, a scalloped glaze puck, and topped off with a large unglazed ceramic disc. The difference in texture between the elements are picked up beautifully by the light.

### **Dimensions**

Fixture height to order (min – 20") 16" diameter, W – 16".

### **Material Options**

Ceramic, brass and glass.

### **Lamping**

2 G9 bulbs, max 50W each. 4.5W dimmable LED bulbs included. 450 lumens each, 2700K color temperature.
