

## CH825 CREDENZA

**MADE BY BY CARL HANSEN & SON**

Although it looks simple, the credenza features an advanced design with roller shutter doors, requiring double sides and rear panel, between which the roller shutters run on a track and disappear when opened. The interior features adjustable shelves and pull-out drawers. The credenza is made of walnut or oak and its interior shelves and pull-out drawers are oak. The base consists of either round wooden legs in solid oak or walnut or steel loops.
