

## CROSS BAR TABLE

**MADE BY BY ROLL & HILL**

Refined and minimal, this round dining table has thickened, turned legs with a subtle, organic profile. The edge detail on the top is molded to the shape of the human hand and soft to the touch. Complex, yet elegant wooden joinery gives this table a sense of craft and lightness. Campagna worked closely with Bowen Liu Studio in refining the joinery for Cross Bar Table. The final form owes much to the collaboration.
