

## DIAMOND DINING TABLE 105

**BY SIMON JOHNS**

The Diamond Table's slight angles focus guests loosely around an axis ; the traditional rectangular approach to seating guests is deconstructed to encourage more dynamic exchanges between people. The central base has an assembly of rectangular columns of different dimensions, congregating, as do the unique individuals around the table.

### **Dimensions**

45" W X 105 " L X 29" H

Comfortable seats 8 people
