

## DRAPE LINEAR

### **MADE BY BY SKLO**

The Drape Linear Chandeliers are a series of fixtures consisting of multiple individual pendants gathered into a straight line and supported by a flat brass bar. Each pendant features a 4.5"/110mm diameter diffuser of handblown Czech glass suspended on a fabric-wrapped electrical cord. The cords pass through and are affixed to the bar and are evenly spaced around its length. The glass diffusers are available in both "dipped" glass, featuring the SkLO double-dipped flame-polished mouth and "textured" glass, featuring a soft, frosted finish and subtle sculpted vertical ridges. Cord lengths are field adjustable.

#### **Dimensions**
