

EXTEND MIRROR

BY DE LA ESPADA

In the past, common bamboo ladders were used as household objects inside and outside country homes in China, functioning as an ever-ready stand for hanging a wide variety of things from tools and cloths to dried food. As a tribute to this utilitarian household symbol, Neri&Hu used three different ladder proportions to make a set of solid hardwood frames for floor standing mirrors.

Dimensions

Small: W 16.1" x D 1.5" x H 86.6"

Medium: W 25.5" x D 1.5" x H 86.6"
