

FINN DINING TABLE

MADE BY BY SPEKE KLEIN

The big brother to our extremely popular Finn coffee table design. We think you will agree that Finn's lovely lines and interesting frame legs lend themselves perfectly to dining. A slightly thicker profile complements the larger scale including a beautiful 1" thick solid wood top. Standard dimensions include tabletop diameters of 42", 48" and 60", and as always, customization is available.

Dimensions

Seats (4): 42" Dia x 29" H
Seats (4-6): 48" Dia x 29" H
Seats (6-8): 60" Dia x 29" H

Material Options

Finger-joint detailing highlights solid wood construction. Available in walnut or white oak with clear matte lacquer or hand-rubbed oil.
