

FLEUR

BY VOLKER HAUG

The result of a minor calamity, a fixed constraint, creative simpatico and a long history of friendship, Me and You is a collection of lighting objects by Melbourne based Volker Haug Studio and design practice Flack Studio. As the name suggests, Me and You speaks to the collaboration process, but also to the inherent interplay between light and space. Fleur's richly textured fibreglass segments are held together by two spun brass plates, forming an airy and captivating whole.
