

FORMWAY GENERATION CHAIR

BY **KNOLL**

Generation takes the idea of elastic design—where a product rearranges itself in response to its user—to a new level. Generation by Knoll offers a new standard of comfort and unrestrained movement, supporting the range of postures and work styles typical of today’s workplace. Designed by Formway Design, Generation takes the idea of elastic design—where a product rearranges itself in response to its user—to a new level.
