

GEHRY HAT TRICK CHAIR

BY KNOLL

Inspired by the surprising strength of the apple crates he played on as a child, Frank Gehry created his thoroughly original collection of bentwood furniture. The ribbon-like designs transcend the conventions of style by exploring, as the great modernists did, the essential challenge of deriving form from function.

Dimensions

Hat Trick Chair: 20"W x 22.5"D x 33.5"H, Seat Height: 18"
