

GEHRY HIGH STICKING CHAIR

MADE BY BY KNOLL

Inspired by the surprising strength of the apple crates he played on as a child, Frank Gehry created his thoroughly original collection of bentwood furniture. The ribbon-like designs transcend the conventions of style by exploring, as the great modernists did, the essential challenge of deriving form from function.

Dimensions

21"W x 24"D x 43.5"H, Seat Height: 18"

Material Options

Seat cushion available in a variety of Spinneybeck® leathers

Frame constructed of hard white maple veneer strips
