

## GEM RING CHANDELIER

**MADE BY BY GIOPATO & COOMBES**

Gem is a suspension lamp, in hand blown glass, made with "a lume" technique, which is another expertise within the Veneto region. The surface is a "corroded" finish, which seems like a white moon dust coating. The glass gems cling to a brass tube, via brass buds which contain a proprietary led source.

### **Dimensions**

10: Ø46 x H24" + Drop, 10 Small: Ø36 x H17" + Drop

14: Ø56 x H27.5" + Drop, 14 Small: Ø46 x H19.5" + Drop

20: Ø69 x H28.5" + Drop, 20 Small: Ø59 x H20" + Drop
