

GEMMA PENDANT

BY IN COMMON WITH

A hand-blown glass pendant that pairs a graceful silhouette with eye-catching embellishment. Gemma's shades are made using a modern variation on a centuries-old practice, which involves applying handmade glass details—in this case, marble-like dots—to blown glass surfaces. Fitted with hand-finished brass details, a self-leveling brass rod, and a bell-shaped diffuser that matches the shape of its shade.
