

GRAFFITI CABINET

MADE BY BY MORGAN CLAYHALL

The Graffiti cabinet is designed and finished in Morgan Clayhall's Toronto Studio. It sits on a steel base powder coated matte black. Options are available in the finish and choice of wood.

The doors have original artwork by Murray Duncan, sealed in resin. The client can supply words/poem/names/birthdays, etc., that can be incorporated in the artwork on the doors by the artist. This creates a truly personal connection for the client with a custom cabinet.

Dimensions

The graffiti cabinet can be customized to any size to suit our client's needs.

Material Options

The Graffiti Cabinet boasts a walnut veneer body with solid wood doors. The original artwork is done by partner Murray Duncan. Wood and metal finishes can be customized for the client.
