

LOVEGROVE SPRITE STACKING

BY KNOLL

Designed by Ross Lovegrove, the Sprite Stacking Chair is inspired by elements from the natural world, reshaped into futuristic forms. Arms available in wood or black urethane pads.

Dimensions

22" W x 22" D x 32" H, Seat Height: 17"

Material Options

Leg finish: Chrome

Finishes: Maple (Rotary maple); Exotic Alpi and Veneers (Beech, cherry, walnut, Zebra, Macassar ebony or black & white woodgrain); Paint (Black, grey, lime, navy, red or white)

Seat cushions feature black buttons to ensure proper stacking

Seat pads are constructed of high-resilient urethane foam, upholstered in select Knoll Textiles or Spinneybeck leathers
