

## MARY'S SIDE TABLE

### **BY DE LA ESPADA**

Mary's side table, crafted in solid hardwood with a marble top, is substantial yet delicate, sculptural yet highly functional. It was inspired by a visit to the Cathedral of St. Mary of the Assumption in San Francisco.

#### **Dimensions**

W 21.3 x D 18.3" x H19.8"

#### **Material Options**

Available in a choice of timber base and marble top.
