

MIES MR ADJUSTABLE CHAISE LOUNGE

BY KNOLL

The MR Collection represents some of the earliest steel furniture designs by Mies van der Rohe. The material choice was inspired by fellow Bauhaus master Marcel Breuer, while the forms are thought to be modern derivatives of 19th century iron rocking chairs.

Dimensions

25.5" W x 70.5"D x 32" H, Arm Height 19.5"
