

MINDEL SM TABLES

BY KNOLL

As precious and defined as a piece of jewelry, the SM Table base is a beautiful bent metal form enhanced by a floating glass top. This collection includes a side table and small or large coffee table. Shelton Mindel's SM Table embodies the concept of M.C. Escher's dynamic form; a continuous, non-concentric extrusion with no apparent beginning or end.

Dimensions

Side table:
24"W x 24"D x 18"H
Coffee tables:
42"W x 24"D x 14"H
