

MINI ENDLESS SCONCE

BY ROLL & HILL

Like Endless, Jason Miller's Mini collection was originally conceived to be a light fixture as architectural element. However, the scale and construction of Mini is inspired by wooden ship's masts. Before advanced materials and industrial production, wooden sailing ships were the engineering marvels of their time. By necessity, the construction was as inventive as it was beautiful.

Dimensions

W 5" x D 3.5" x H 21.5"

Material Options

Black, bronze, and polished brass.

Lamping

LED | 13 Watts | 500 Lumens | 2700
Kelvin | 50,000 Hour Bulb Life | Dimmer:
