

## MINI ENDLESS SCONCE

**MADE BY BY ROLL & HILL**

Like Endless, Jason Miller's Mini collection was originally conceived to be a light fixture as architectural element. However, the scale and construction of Mini is inspired by wooden ship's masts. Before advanced materials and industrial production, wooden sailing ships were the engineering marvels of their time. By necessity, the construction was as inventive as it was beautiful.

### **Dimensions**

W 5" x D 3.5" x H 21.5"

### **Material Options**
