

MINIMA 1 COLLECTION

BY **PATKAU STUDIO**

A curious object with luminosity and poise, Minima is a floor or table lamp designed to softly illuminate any indoor space.

The name Minima tells the story of its surface; it's elegant form represents the minimum 3D surface between 2D curves.

The subtle tone of illumination, unique to Minima, results from graded filtration through the composite skin.

Made in Vancouver.

Dimensions

Small
Max width 14.5 x Height 25.75 in
Medium
Max width 15 x Height 40.25 in
Large
Max width 15 x Height 57 in
XL
Max width 15 x Height 70.25 in
