HOLLACE CLUNY

OVA COLLECTION

BY MATTHEW MCCORMICK STUDIO

Ova exudes an ethereal glow that can turn any space into a sanctuary of elegance. Carefully handmade into dimensional layers of glass, Ova casts a diffused and ambient warmth through its womb-like, translucent inner body –bringing an energetic incandescence to its life-like composition.

Nestled within an instinctively familiar form, Ova's luminescence brings a depth of movement that seemingly transforms from every vantage point.
