

POP

BY CREATORS OF OBJECTS

The POP CONSOLE appears to defy gravity, inspiring a sense of wonder. Despite its delicate, featherlight look, it is expertly engineered from rigid resin for lasting strength. Available in countless colours, this floating console blends art with function. Like an airborne balloon clinging to the wall, it adds whimsy and intrigue to any space – perfect for making a statement.

Dimensions

51" W x 18" D x 15" H
