

SCHULTZ TOPIARY DINING TABLE

BY KNOLL

Richard Schultz wanted to design a chair that looks like a shrub pruned to look like a chair. Be fascinated by the way sunlight comes through the leaves of shrubbery, producing dappled shadows. This furniture acts as a light filter, disappearing into nature.

Dimensions

Glass Top:
30"D x 28"H
42"D x 28"H
56"D x 28"H
Base:
24"D x 28"H
