

STEM 2X SCONCE/CEILING

MADE BY BY SKLO

The Stem 2X Sconce/Ceiling is a minimal light consisting of a pair of 4.5"/110mm diameter diffusers of handblown Czech glass on a simple symmetrical brass armature. Suitable for use as a ceiling light or as a wall light. The glass diffusers are available in both "dipped" glass, featuring the SkLO double-dipped flame-polished mouth and "textured" glass, featuring a soft, frosted finish and subtle sculpted vertical ridges.
