

## THE LANTERN SCONCE

**BY WORKSTEAD**

The LANTERN SCONCE reimagines the classic up-light through the lens of material warmth and artisanal detail. Handcrafted in the U.S., it features richly textured 100% Dupioni Raw Silk that diffuses light with a soft, atmospheric glow—transforming walls into luminous surfaces. Custom metal hardware and hand-tailored construction speak to its considered construction, while a removable silk tassel adds a touch of movement and whimsy. Designed to engage both light and texture, the Lantern Sconce brings sculptural elegance and inviting radiance to any interior
