

VARA SEAT

BY IMPERFETTOLAB

The name of this seat recalls traditions of a mystical and ancient Italy. Its silhouette evokes the ancestral, magical charm of a primitive throne. Fiberglass is crafted with skill and it's moulded into solid cylinders, supporting and lifting an elegant curve, designed to welcome guests in a wide and regal embrace. Vara comes in 3 different models, varying in shapes and sizes, featuring either an upward thrust or a gentle extension of the horizontal line. Each piece combines a comfortable seat with an intriguing mysterious allure for the eye.
