

WASHINGTON CORONA ALUMINUM TABLE

BY KNOLL

The Washington Corona Coffee Table reflects David Adjaye's architectural and sculptural vision on a new scale. The table is constructed from four die-cast aluminum panels, connected by aluminum connector plates and stainless steel hardware. The interior of the panels are finished in a smooth gloss black powder coat paint, contrasting the matte textured black powder coat paint exterior.

Dimensions

41"W x 41"D x 16"H
