142L TAI DAN 2 - CONSOLE CABINET

By Luca Nichetto

Tai Dan 2 features an expansive mirror that adds dimension to interiors, while its expertly crafted timber frame and base bring grounding and warmth. The integrated cabinet provides practical storage space in a lustrous lacquer body and a floating geometric surface in terrazzo or stone offers a playful and utilitarian accent.

The Tai collection masterfully blends function and sculpture. Rather than complements, the products are counterpoint, maintaining a distinct identity while affirming diverse spaces and objects.
